

**H<sub>2</sub>PRO<sup>®</sup> Degreaser & Booster** provides effective removal of a wide range of greases and oils in a variety of water conditions and temperatures

## Degreaser & Booster for Professional Wetcleaning

**H<sub>2</sub>PRO<sup>®</sup> Degreaser** is a uniquely formulated product that is ideal for wetcleaning loads where there is a higher than average level of greases, oils and particulate matter on items. **H<sub>2</sub>PRO Degreaser** is effective across a wide range of temperatures and water conditions, which makes **H<sub>2</sub>PRO Degreaser** a perfect choice for use in diverse water-based cleaning applications from professional wetcleaning to both consumer and industrial type laundry machines.

- **Helps Remove a Wide Range of Greasy & Oily Stains**

**H<sub>2</sub>PRO Degreaser** is effective on:

- Tar
- Asphalt
- Grease
- Paint
- Oils
- Cosmetics
- Oily Foods
- Other Greasy and Oily Stains

- **Versatile: Effective in Wide Temperature Range**

Works as a degreaser and emulsifier even at lower temperatures (90° - 140° F/ 32° -60°C).

- **Boosts Degreasing Capabilities of Detergents**

When used in conjunction with H<sub>2</sub>PRO detergents **H<sub>2</sub>PRO Degreaser** further increases the already effective degreasing capabilities of these detergents on heavily greasy loads.

- **Ideal for heavy, greasy soils, and particulate soils**

**H<sub>2</sub>PRO Degreaser** is ideal for wetcleaning loads such as industrial or food service workwear, where there is heavier greasy and particulate soils than in most average wetcleaning loads

*H<sub>2</sub>PRO Degreaser is designed to be used in conjunction with the H<sub>2</sub>PRO Line of Professional Wetcleaning Products.*

**Clean Smarter With Water™. Use H<sub>2</sub>PRO.**

## Instructions for Using H<sub>2</sub>PRO<sup>®</sup> Degreaser

*Follow garment care label and garment fiber content and construction to select appropriate washing and drying settings and finishing methods. Before cleaning garments, remove any solvent-soluble or hard-set stains using the appropriate Street's stain removers.*

### *Wetcleaning Use*

Use **H<sub>2</sub>PRO Degreaser** at a rate of ½ to ¾ oz per 10 pounds (or 35 to 50 mL per 10 kg) of load, depending on depending on classification, water temperatures, and degree of soiling.

### *Laundry Use*

Add to any washer via injection during the prewash, break, or suds cycle. Use 1 to 2 oz per 10 pounds ( or 65 to 195 mL per 1 kg) of load, depending on classification, water temperatures, and degree of soiling.

### *How to Order H<sub>2</sub>PRO Degreaser & Booster*

**H<sub>2</sub>PRO Degreaser** is sold by authorized Street's distributors. **H<sub>2</sub>PRO Degreaser** is available in single one-gallon containers (3.785 L), cases of four, 5-gallon pails (18.93 L) or 15-gallon drums (56.78 L).

*Before using any chemical product, review the Safety Data Sheet (SDS) for safe handling and proper disposal.  
For professional wetcleaning & laundry use only.*
